

# paper bag puppets?

Create your own funny looking puppets and put on a puppet show with your family and friends.

What you need:

- Paper Lunch Bags
- Texta Liquid Glue
- Scissors
- Texta Markers
- Coloured Paper

What you need to do:

You may create funny faces with Texta markers, glue colourful strips of paper as hair, or cut out faces from magazines and stick them on the paper bag to create the most unusual faces.

You can let your imagination run wild and select whatever materials you want to decorate your puppets, such as aluminium foil, cotton for a beard or shells.

Once your puppet is ready, you can put on a show for your family and friends.
